

# The Sussex Reptile Rescue Centre

## Business Sponsorship Pack 2026

The Sussex Reptile Rescue Centre is a dedicated, non-profit organisation committed to the rescue, rehabilitation, and lifelong care of neglected, abandoned, and injured reptiles. We work closely with the public, vets, local authorities, and animal welfare organisations to ensure reptiles receive the specialist care they need.

As a small, specialist rescue, we rely heavily on the support of businesses and the local community. By becoming a business sponsor, you will be directly supporting animal welfare while gaining positive exposure for your brand.
