

## Adoption Application Guidelines

1. Anyone looking to adopt an animal with The Sussex Reptile Rescue Centre, must be 18 yrs or over (R)
2. If you are not the home owner, you must have the permission of the home owner prior to applying to adopt the animal(s).
3. Make sure you have any enclosures, Garden enclosures/Tortoise tables etc. set up prior to making an application. (R)
4. As a part of your application to adopt, you will be required (R) to provide us photos of set-ups with the appropriate UVB heat lamp and UVB light.
5. Please give as much information about you, your experience with these animals as possible. (R)
6. As stated in the adoption Terms & Conditions, as an Animal Rescue Centre we will not give any animal to an individual who we believe has the intension to breeding the animal. If we suspect that an individual has the intention to subject the animal for the purpose of breeding, we reserve the right to reject the adoption.

If you have any questions or queries in regards to adoption, or about anything else Please get in touch with our team through email [info@thesussexrrc.org.uk](mailto:info@thesussexrrc.org.uk) or through our social media channels.
